

Calling Young graduates/Freshers to join the World's Top 5 Animal Health Company as  
**PRODUCTION TECHNICIAN**

Ceva Santé Animale, a multinational company devoted to research, we rank 5th globally in the animal health industry. We have been the fastest growing under Top 10 veterinary health company since our creation in 1999. Our expertise centres on the two fields of pharmacology and biology, where we have dedicated teams that aim to meet the specific demands of the companion animal, poultry, ruminant and swine sectors. We continually strive to find better solutions to existing and emerging diseases which will in turn improve animal health and productivity. We research, develop, manufacture and supply vaccines, pharmaceutical medicines and other animal health products, together with the equipment, training, technical support and specialised services to ensure their optimal use Our **“Together, Beyond Animal Health”** vision emphasizes that the health and wellbeing of people, animals and our planet are totally interlinked

Our global business operations are divided into five major zones: Europe, North America, Latin America, Africa/Middle-East/Eastern Europe/Turkey and Asia. We are directly present in 46 countries, have 13 research and development centres, 26 production sites and 6300 employees worldwide.

WE LIVE OUR **4** VALUES DAILY

**Start with the customer, end with the customer. It's not about us, it's about our customers.** We listen and learn from them. Passion means hands-on service that goes above and beyond.

**Decision-making comes with responsibility.** Making proactive decisions based on sound business priorities is something we do every day. We find solutions and are accountable.

**Constantly challenging ourselves,** we support a culture of thinking and doing things differently. Being innovative is not only about product innovation but continually challenging ourselves to find new ways of creating value for Ceva, our customers and ourselves.

**Always Together, Ceva is independent and interdependent.** We respect the work and cultures of others, and share in both their successes and difficulties.
